Portable outdoor display products such as signage, banners and flags are easy to place and move around a site. Their graphics can also easily be changed for a fresh new promotional advertising message.

HOTELS - Reception

Vector Quick Fix Frames like lightboxes, take fabric graphics with silicone edge gaskets to hold them taut and in place. Easy to apply, wash for re-use or print a new one to change your backdrop!

Vector LED lightboxes have no dark spots so the whole image is illuminated to bring your message to life. Replacing the graphic is simple so the lightbox can be used for a change of season or a new brand and of course they're machine washable so if you reuse the graphic it will always look fresh again.

Sentry Signage is as portable as it is versatile. Use landscape or portrait, and change graphics by lifting the snap action frame sides - so simple!

Control queues quickly to deal with customers efficiently using the Basic Leader Barriers queueing system.

HOTELS - Golfing

Golf days are a perfect way to connect to customers or employees. The relaxed environment helps people engage with branding on outdoor products that are both practical and stylish such as the Eyelet Vinyl Banners which are quick and easy to site when you're setting up an event.

There's plenty of room for groups to shelter from the sun or rain underneath the Zoom Tent. Made from lightweight aluminium it's very easy to assemble and packs back down into a strong and sturdy wheeled bag.

Make sure you're seen with a flag, a group of several flags really make a prestigious entrance. Sizes range from 2.8m to a lofty 5.6m!

Sunrise Parasols are a great branding product - create maximum impact delivering your brand message whilst shading you from the sun.

Monsoon banners are large format double-sided outdoor 'A' frames, made from lightweight aluminium, ideal for use with PVC eyelet banners in areas where you need high branding visibility that can stand up to the elements!

A folding table and custom printed polyester table cloth are the perfect accompaniment for a Zoom Tent. Easy to set up, lightweight and great practical items for outdoor use.

Pedestrian Signage is essential to help make your event run smoothly whilst keeping it on brand! The Shield and Stowaway are two such great examples. The Shield has a weighty rubber base to firmly hold the signage down in inclement conditions, where as the Stowaway is lightweight but can be pegged down to also hold your branding fast!
